

WEDNESDAY

OCTOBER 16, 2024

10 AM - 12 PM

Columbia-Greene
Community College
PAC Room 612

4400 NY-23, Hudson, NY
12534

Objectives

- **Engage and Educate:** Learn about the critical aspects of the sanitary code and its impact on your daily life.
- **Voice Your Opinions:** Share your thoughts, concerns, and suggestions to ensure the code meets our community's unique needs.
- **Understand Your Role:** Gain clarity on what the new sanitary code means for homeowners, businesses, and other stakeholders.
- **Collaborative Decision-Making:** Work alongside public health officials to create a code that truly represents our community's values and needs.

JOIN US FOR A

COMMUNITY LISTENING SESSION

The Columbia County Department of Health invites you to a crucial Community Listening and Information Session aimed at empowering our community through active participation in the development of the **Columbia County Sanitary Code**. This code is essential for enhancing public health, protecting our environment, and improving community welfare.

HELP SHAPE OUR COMMUNITY'S FUTURE!
